

Shadia Traveling App is a modern mobile application that focuses on domestic tourism in Egypt.

It helps users discover the most beautiful destinations across Egypt — from hidden local spots to famous tourist attractions — all in one easy-to-use platform.

The app offers trip ideas, tour packages, local guides, and booking options for transportation and accommodations. Whether it's a weekend in Fayoum, a beach escape in Hurghada, or a historical journey in Luxor and Aswan, Shadia Traveling App makes traveling around Egypt simple, affordable, and inspiring.

Key Features:

Explore top and hidden destinations across Egypt

Book tours, transport, and accommodations

Personalized recommendations based on interests

Local guides and cultural insights

Easy-to-use and available in Arabic and English

Mission:

To promote domestic tourism and encourage Egyptians to discover the beauty of their own country through an enjoyable and convenient travel experience.
